

Dear Parents and Guardians,

Please be advised we will be shutting down the Genesis Student Information System for the remainder of the Summer on **Tuesday, July 28**.

The parent portal will be disabled and will not be enabled until the opening of school in September.

Please print your child's report cards so that you have them if needed for sports or other registrations over the summer.

Thank you in advance for your cooperation and understanding.

Sincerely,

Brent A. MacConnell

Superintendent
