Dear Parents:

We are very pleased to invite you to the Shrewsbury Borough School **OPEN HOUSE** on **Wednesday, September 12th at 6:30 p.m.** Immediately following the Parent Address in the Gymnasium, the teaching staff will present an overview of their program(s) for the 2018-19 school year.

Topics to be discussed include the following:

Curriculum to be covered
Classroom procedures and rules
Grading philosophy
Homework philosophy
How the parent(s) can help

The presentation schedule for the teachers will be as follows:

Grades 5 - 8 – Parents will follow a sample student schedule for a regular 8 period day. **Your child will provide you with your schedule.** Each class period will last approximately ten minutes with three minutes to pass to the next class (sure you can – the kids do it!)

Grades Pre-School – 4 – There will be two twenty-five minute presentations approximately as follows:

1st presentation - 7:00 – 7:25 p.m.
2nd presentation - 7:30 – 7:55 p.m.

A third period (8:00 – 8:25 p.m.) is set aside so that you may visit special programs (specials, clinics & speech) personnel to learn about their areas.

Should you have children in more than one grade or class, we suggest you move from one schedule to another. Special subject and program personnel will also be available to share their plans.

We ask that you be here promptly so that we may start exactly at 6:30 p.m and our Open House ends at 8:30 p.m.

Sincerely,

Brent A. MacConnell
Superintendent
