September 8, 2021

Dear Parents and Guardians:

This year our Annual SBS Open House will be conducted “virtually” on Tuesday, September 14, 2021. Our teachers will be posting video presentations and information for their classes and programs on their Google Classrooms after 3:30 PM on September 14th for parents and guardians to view.

The SBS Faculty will then host Google Meets from 7:00 PM to 8:00 PM on September 14th so that parents can meet teachers, learn more about our various instructional programs, and ask questions. Our teachers will send you an email to let you know about where you can view their presentations and a link for their Google Meets. We will also post videos from the SPTA, FSE, and SYAA so that you can learn more about how our parent volunteers help SBS in a variety of ways.

We look forward to “seeing” everyone on September 14th for our Virtual Open House!

Best wishes for a safe, healthy, and relaxing weekend.

Very sincerely,
Brent A. MacConnell
