Dear Parents and Guardians:

At the beginning of the school year, I sent our school community a letter regarding traffic safety and parking guidelines on school grounds and on Obre Place. Today, I once again ask for your assistance in helping to keep our students safe and in helping SBS be good neighbors to some of our local businesses.

I've spoken recently with the owner of the Shrewsbury Shoppes, our neighbor whose commercial property is located directly across the street from our Library Media Center, about some concerns with SBS parents and guests parking in his lot. He is also concerned about pedestrians cutting through the parking lot for the obvious safety concerns that this creates. This is also problematic for his tenants whose customers may not be able to find parking and may put our students unnecessarily in harm's way entering and exiting the parking lot.

Please do not park in the Shrewsbury Shoppes parking lot at any time or for any reason. Also, please speak to your children about not using this parking lot as a route to the school. All of our students should use the sidewalks on Obre Place to walk to school after crossing Route 35 or on the way home.

If you should have any questions or concerns, please contact me directly.

Very sincerely,

Brent A. MacConnell
