

Shrewsbury Borough School

Student Council

2019-20

Student Council is a representative structure for students only, through which they can become involved in the affairs of the school, working in partnership with the school, staff, and community for the benefit of the school and its students.

***NEW THIS YEAR:** Our goal is to give our students more opportunities to become actively involved in the community.

Pros:

Being a member of student council:

- is an opportunity to learn about leadership and self-advocacy
- allows for students to work with the SBS community and peers
- allows for students to form special bonds with one another and teachers in our school community.
- helps students to gain confidence and feel proud when assisting others inside and outside of our SBS community (e.g. fundraisers, food drives, dances, etc.).
- offers students an opportunity to include this title on an application or résumé showing that they have been a positive role model and leader!

If your child is in 5th, 6th or 7th grade, they may volunteer to be a classroom representative. If your child is in 8th grade, in addition to classroom representative, they may *also* run for the executive board and lead our school to a productive, successful, and fun school year!
