

SHREWSBURY HOSE COMPANY No. 1

783 Broad Street

Shrewsbury, NJ 07702

www.shrewsburyhosecompany.com

SHC#1 is announcing our Plan Your Escape contest! You can go to our website www.shrewsburyhosecompany.com and download a PDF copy of the NFPA's Escape Plan document. Mr. MacConnell has also told us that it will be available through the SBS portal. Then, sit down with your entire family and plan how you would get out of your house in an emergency. The NFPA recommends that there should be two routes out from every room if possible. More importantly, identify an assembly point where your family will gather once you're all out. This is important because emergency responders will know if everyone is accounted for and out of harm's way. Draw your house and your escape routes, note your assembly point, and send it back to us! We're going to select 5 random returned maps. The winning maps MUST show your Escape Plan AND your Assembly Point to be considered complete. Those 5 winners will win a \$50 gift card for one of these 5 restaurants:

- Americana Diner
- Federico's Pizza
- Frutta Bowls
- AJ's Deli
- Bagel Masters

We are in a unique situation where we have a captive audience, we have families who are looking for unique and fun stuff to do, and we have restaurants that have been very generous to us in the past that could use our help now. And this is a great opportunity to talk about fire safety and emergency planning with your family. We listed the official rules below. Let's have some fun with this!

1. Completed maps will be accepted until midnight on Saturday, March 28, 2020.
2. Entries should be emailed to contest@shrewsburyhosecompany.com
3. Your entry must include your name, your address, and an email or phone number.
4. In our effort to support social distancing, only emailed entries will be included.
5. You must be a resident of the Borough of Shrewsbury NJ to be eligible to win a prize.
6. Entries are limited to 5 per household please.
7. Only one winning entry per household.
8. Winners will be drawn randomly. The first 5 valid entries will win.
9. If you can, please send us a PDF version of your Escape Plan. We will also accept JPEG or GIF format since not everyone has a scanner in their home.
10. You can also send us drawings of the Fire Engines OR the firefighters as well. If you say it's OK, we'll post them on our Facebook and Instagram page so that everyone can enjoy them! However, only maps will be counted as contest entries.
11. Members of SHC#1 and their families can participate, but will not be eligible to win a gift card.
