DANIEL J. CALICARI
CAPTAIN

ADAM J. CERMINARO
LIEUTENANT

11/28/18

Dear Parents,

This letter is to inform you that your grade level student will be given a presentation on the dangers of "sexting". This presentation will be given to boys and girls separately. Grade levels will also be separate due to maturity differences. I will be giving the presentation to the girls and Officer Dan DeCristofaro will be presenting it to the boys. It is my hope that this information to our students opens up a dialogue at home for you to discuss the dangers of sexting further. Due to the increase in technology use and crimes attached to it, we feel it is extremely important we educate your children and provide them with the information that could save them from any potential harm.

The presentations will take place on the following dates.

12/7/18 8th grade boys
12/13/18 8th grade girls
12/18/18 6th and 7th grade girls
12/20/18 6th and 7th grade boys

Respectfully,

Officer Mary Ellen Rumola #29
Shrewsbury Borough Police Department
